About SCRS

The Society for Clinical Research Sites is the trade organization representing global clinical research sites. **SCRS' mission: Unify the voice of the global clinical research site community for greater site sustainability.**

Founded in 2012, SCRS has become an active partner in industry-wide initiatives and dialogues focused on improving the clinical research enterprise. SCRS is built on four pillars of commitment:

Advocate, Educate, Connect and Mentor.

Joining SCRS means more than simply becoming a member of an organization of sites with similar interests. Your SCRS membership will allow you access to the tools and resources you will need to achieve site sustainability.

**Join Over 9,000 Sites
